### **Research Contribution and Achievement:**

The conference offers emerging scholar awards to outstanding researchers, exceptional graduates or early academicians who have distinctive enthralment towards the conference themes. The Award strives in providing a strong professional development opportunity for early career academicians—meeting experts in the field, interacting with colleagues from other parts of the world, and creating networks and long-term relations.

### **Call for Nominations:**

Expert level (Scientific service Achievement Award)  
This Award is to represent the experts who have made the best contributions to the [Psychotherapy](#) and [Counselling Psychology](#) departments. This award is the most prestigious of the whole conference and is also known as a scientific service award. One should have at least a minimum of 20+ years of experience in the fields of Psychology education and Psychotherapy. The award acceptor should take initiative in researching the recent trends and developments in the subjects related to Psychology and Psychotherapy.

### **The nominations for the deserving nominee can be submitted online**

Professional Level (The Research Contribution Award) The professional level award is presented to the expert who has research knowledge and experience of 10+ years in the field related to [Psychology Education](#) and [Counselling Psychology](#) with relevant accomplishments in the public or private sector. Part-time research would be counted proportionally. It is calculated from the date when you acquired your first degree entitling you to embark on a doctorate (either in the country where the degree was obtained or in a different country where the researcher was recruited), even if a doctorate was never started or envisaged.

### **The nominations for the deserving nominee can be submitted online:**

Scholar Level (The Upcoming Research Award) The Scholar Level Award is offered to the approaching scientists, analysts and researchers having 10+ years of research experience in the fields of Psychology Education and [Psychotherapy](#) and Counselling Psychology. Our conference would like to provide a platform where you can share your research knowledge and expand your network.

### **The nominations for the deserving nominee can be submitted online:**

Women Scientist (The Women of Science Award) The conference Psychology Education 2020 provides a unique platform for women scientists for presenting their research projects. We cordially invite women scholars and scientists from universities and research institutes who have 10+ years of experience in the field of Psychotherapy and [Counselling Psychology](#) to join the forum. We are happy to encourage women scientists through research awards and provide assistance in their career and research through our collaborations. Women Scientists can nominate the deserving nominee online.

### **Outstanding speaker in psychology Education 2020**

The Outstanding speaker award is to recognize an individual who presents their projects, strategies and schemes that have been implemented to improve the field [Psychology education](#) and Psychotherapy. The nominations for the deserving outstanding speaker can be submitted online.

### **Best Keynote Speaker in Psychology Education 2020**
