

2020 Conference Announcement on Primary Healthcare, Nursing & Neonatal Screening

John Meara

Professor, Email.Id: john.meara@childrens.harvard.edu

I'm pleased to invite you to Keynote speaker at "9th Annual Congress on Primary Healthcare, Nursing & Neonatal Screening" an independently organized Conference being a prominent member in this field happening in **July 20-21, 2020 at Vancouver, Canada**, focusing on the theme "Investigating the Current Challenges and possibilities in Primary Healthcare". You with significant expertise and experience, it would be an honour for us to hear you. **Primary Healthcare 2020** is a 2-day event including Keynote presentations, oral talks, Workshops, symposiums, exhibitions, special sessions, [(Video presentations, e-poster presentations)if cannot attend].

Our goal is to bring together bright minds i.e. academics, Scientists, industrialists, professionals and students across the globe to this exalted event in order to find common understanding about what it will take to tackle and succeed in the challenge of achieving **Primary Healthcare 2020**.

Your abstract will be published in our recognized journals and your talk would be filmed and shared on YouTube pages and other social networks, just as with all speakers, based on your expertise in the relevant field, we would be privileged to hear your work on any themes or topics you're interested in, according to the Conference Highlights mentioned. We are hopeful that your support and cooperation will make this event successful.
