

## 2020 Euroscicon Conference Announcement on Climate Change

### Jaime Senabre

Researcher, Director of SINIF, University of Alicante, Spain, E-mail: [jasenabre@sinif.es](mailto:jasenabre@sinif.es)

Forthcoming Conferences on 7th International World Congress on Climate Change during April 27-28, 2020 at Rome, Italy.

EuroSciCon take great amusement in inviting the scientific community across the globe to the [7th International World Congress on Climate Change](#) during April 27-28, 2020 at Rome, Italy. Rome is the capital city of Italy and it is one of the most ancient cities in Europe. . Rome is situated in the focal segment of the Italian promontory, on the Tiber River around 15 miles (24 km) inland from the Tyrrhenian Sea. The city of Rome itself has colossal ecological favorable circumstances, which made it simpler for Rome to turn into a significant city.

The upcoming [Climate Change-2020](#) focus on advancements in the field of change in climate, Climate Prediction and Climate Hazards. This conference will also present the advanced research, advanced techniques for improving Environmental Disasters.

The participants can convey their ideas and share their research results covering the scientific aspect of Climatic changes, Climate Change - Challenges, Ocean & Climate Change, Pollution And Its Effects, Climate Hazards, Climate Prediction, Ecology And Ecosystems , Global Warming Effects And Causes, CO2 As A Major Cause, Ocean & Climate Change, Health And Climate Changes, Impacts & Risk Analysis, Climatic Change Laws And Policies, Climate Change Economics, Solutions For Climate Change, Biodiversity And Species Protection, Future Aspects Of Climate Change, Conservation Of Resources, Rejuvenation Of The Environment-2020.

Conference will encourage Young Researcher's Forum, scientists and the researchers in their early stage of career graph to widely discuss their outcome to enrich and develop the idea. The 'Best Poster Award' is meant to encourage students in taking an active part in the International Science platform to sharpen their skills and knowledgebase.

The Sponsor in the Climate Change-2020 can reach and get exposure to new clients, customer, business, brand awareness and media exposure. The sponsorship has different levels Premium Sponsorship Packages: Elite Sponsor, Silver Sponsor, Gold Sponsor, Exhibition, Additional Sponsorship Packages and Advertisements. The 7th International World Congress on Climate Change will consist of organizing committee network of renowned scientific and professional expert such as

Jaime Senabre, Director of SINIF, Researcher at the University of Alicante, Spain; Wieslaw Ziaja, Head of Department, Jagiellonian University, Poland; Agata Zdyb, Head of Department, Lublin University of Technology, Poland; Stephen Salter, Emeritus Professor, University of Edinburgh, Scotland; Titin Handayani, Professor, Center for Environmental Technology, Indonesia.
