

## 7<sup>th</sup> International Conference on Neuroscience and Neurological Disorders

The success of Neuroscience Conference 2019 has given us the prospect to bring the gathering one more time. Pulsus hosted the “6<sup>th</sup> International Conference on Neuroscience and Neurological Disorders” during **November 04-05, 2019** at **Prague, Czech Republic**.

The theme focused “Reconnoitre Modern progressions in Neuroscience and Neurological Disorders

The meeting engrossed a vicinity if comprehensive discussions on subjects like Neurological Disorders, CNS, Neurophysiology, Neurochemistry and so on.

We look forward to all of you sharing your amazing insights, study ideas, and making this 2-day event a sprinkle with new enhancements.

We would like to express our sincere gratitude to Moderators, Speakers, Keynote Speakers, Members of the Organizing Committee, Attendants and Guests for their inspiring speeches and for making Neuroscience 2019 a memorable and fruitful affair.

The conference started with an opening ceremony accompanied by keynote sessions and followed by a series of lectures given by both Honorable Guests and Keynote Forum leaders. The conference proceedings were held by various Scientific-sessions and plenary presentations.

Pulsus took the privilege of congratulating the Organizing Committee, keynote speakers who sponsored this event for its success. Neuroscience 2019 Organizing Committee congratulates the winners on their excellent results in the field of Neuroscience and appreciates all the participants who put their energies into presentations and sincerely wish them success in future endeavors.

With the conference’s specific input, Pulsus wishes to announce the launch of the 8th International Conference on Neuroscience and Neurological Disorders.

Meet @ **Neuroscience 2020**
