

## Awards Announcement for Cardiology and Cardiac Surgery 2020

**Riya Olivia**

Professor, Mansoura University, Egypt, E-mail: [riyaolivia2019@gmail.com](mailto:riyaolivia2019@gmail.com)

[Hilaris Conferences](#) is glad to welcome you to join the “**Cardiology and Cardiac Surgery**” which will be held from **October 09-10, 2020 at New York, USA** which includes prompt keynote presentations, oral talks, poster presentations, [Sponsorships](#).

[Cardiology](#) is a branch of medicine dealing with disorders of the heart beat in human or animal. The field includes medical diagnosis and treatment of congenital heart defects, coronary artery disease, heart failure, valvular heart disease and electrophysiology. Physicians who specialize in this field of medicine are called cardiologists, a specialty of internal medicine.

### **Hilaris Scientific Service Achievement Award**

This award recognizes individuals for their outstanding cardiology experiences. It is dedicated to the most successful experts in the field of Cardiology and Cardiac Surgery. It is tagged as a Scientific Service Achievement award. This eligibility for this award is one should have 20 years of experience in the respective field.

### **Hilaris Research Contribution Award**

The Professional Level award is entirely based on the research experience which is 10 years and above in the field of [Cardiology](#) and [Cardiac surgery](#) with high achievements. The research involvement will be calculated from the date of their first degree which gives title to join doctorate and also their contributions on the particular research. You can nominate deserving of the award online.

### **Hilaris Emerging Researcher Award**

The meeting offers Scholar Level award for the upcoming researchers, analysts and specialists having 10+ years of experience in the field of [cardiology](#). Hilaris conferences offer the best platform to grow their network by interacting with several people at a single platform under one roof.

Presentation includes 25-30 minutes of research activity dependent on the subject and few minutes of group discussions on particular topic.

### **Hilaris Women Scientist Award**

The Women of Science award dedicates to the women scientists identifying their research activities and investigations in the field of [Cardiology](#) and [Cardiac surgery](#). We warmly welcome women researchers from all around the world having few to many years of experience in the respective subject. The event encourages women participants towards their research and career development.

### **Hilaris Outstanding Speaker Award**

This award is open for the one who will perform their project works, plans, operations and relevant studies which are implemented for the excellent output in the [Cardiac Surgical](#) practices. The one who executes long term projects with high advancements in the field of cardiology will be given outstanding speaker award.

### **Hilaris Best Poster Award (Student & Faculty)**

Poster presentation competition is conducted at the conference, to encourage graduates and research fellows to present their original research work in the [Cardiac surgery](#). This meeting helps young researchers to present their studies to the international committee in the form of posters under single roof proving their real talent on their research work which relates to the theme of the conference.

### **Hilaris Outstanding Student Thesis Award**

This award is open for the Masters/Ph.D./Post-doctorate research students who will exhibit their thesis work in unique and interesting style attracting international level attendees of the field [Cardiology](#) and [Cardiac surgery](#). You can nominate deserving of the award online.
