

Digestive Disease 2020 Report

We invite you to attend 6th International Conference on Digestive & Gastrointestinal Diseases during April 19-20, 2021 in Berlin, Germany at 10:00 AM (UTC +5:30). The Conference highlights the theme “Challenges in Gastroenterology, Hepatology and Endoscopy during COVID-19”. Digestive Disease Conference invites Gastroenterologists, Herpetologists, Endoscopists, Gastro Congress Video Conference, Physicians, Microbiologists, Virologists, Pathologists, Oncologists, Surgeons and Toxicologists, Researchers, Students, Business delegates and Young researchers across the globe.

Digestive Disease Conference provides a great platform by gathering eminent professors, Researchers, Students, and delegates to exchange new ideas. The Gastro Congress Online Conference will cover a wide range of topics and allow participants to discuss about the management of Gastrointestinal, liver, pancreatic diseases. Gastro Congress Virtual Meeting consists of keynote and plenary lectures, special sessions (Workshop and Symposium), Young Researcher Forum and Poster presentations. Best poster presenters will be judged and awarded during the Gastro Congress Online Conference. To encourage broad participation from all over the world Meetings Int is offering reduced registration fee for students. The conference was initiated with the Honourable presence of the Keynote forum. The list includes:

Name: Wei Ling Huang, Traditional Chinese Medicine Researcher, Brazil

The meeting reflected various sessions, in which discussions were held on the following major scientific tracks:
