

## Editorial Note for Journal of Pharmacy and Pharmaceutical

Journal of Pharmacy and Pharmaceutical Research is a scientific, peer-reviewed, academic journal which promotes rigorous research that makes a significant contribution in advancing knowledge and provides important forum for researchers and scholars to exchange their knowledge on current advancement in Pharmacy, drug delivery and Pharmaceutical research. I am pleased to announce the key-point during the year of 2019, all issues of volume 3 were published online within the time frame and the print issues were also brought out and dispatched within 30 days of publishing the issue online.

During the year of 2019, Journal of Pharmacy and Pharmaceutical Research had successfully completed and published World Congress on Pharmaceutics and Pharmacological Research.

The impact factor for the year 2019 was 0.552. The Journal is listed with various indexing sites to standardized visibility and maintains publication standard.

In 2019 we successfully released volume 3, and Globally articles have been accessed by the research scientists and also cited. During the calendar year 2019, a total of one Editor, three Reviewers joined the board of IPIPR and contributed their valuable services towards contribution as well as publication of articles.

I take this opportunity to acknowledge the contribution of (Dr. Dr. Naj Sharif) during the final editing of articles published and the support rendered by the editorial assistant, in bringing out issues of IPIPR in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of IPIPR, the office bearers for their support in bringing out yet another volume of IPIPR and look forward to their unrelenting support to bring out the Volume 3 of ipipr in scheduled time.
