

Past Conference Editorial of Genomics 2020

Sergey Suchkov

Sechenov University, Russia

Editorial Note

Conference Series LLC Ltd hosted the “Genomics 2020”, during May 25-26, 2020 through Webinar with the theme, “Advances in Genome & Molecular Biology during COVID-19”, which was a great success. Eminent keynote speakers from various reputed institutions and organizations addressed the gathering with their resplendent presence.

We stretch out our appreciative gratitude to all the groundbreaking speakers, meeting participants who contributed towards the effective run of the gathering.

Genomics 2020 witnessed an amalgamation of peerless speakers who enlightened the crowd with their knowledge and confabulated on various latest and exciting innovations in all areas of Genomics and Molecular Biology.

Genomics Organizing Committee extends its gratitude and congratulates the Honorable Moderators of the conference.

Conference Series LLC Ltd stretches out its warm appreciation to all the Honorable Guests and Keynote Speakers of “Genomics 2020”.

- Sergey Suchkov, Sechenov University, Russia
- Mingzhu Yin, Xiangya Hospital, Central South University, China

Conference Series LLC Ltd is privileged to felicitate Genomics

2020 Organizing Committee, Keynote Speakers, Chairs & Co-Chairs and also the Moderators of the conference whose support and efforts made the conference to move on the path of success. Conference Series LLC LTD thanks every individual participant for the enormous exquisite response. This inspires us to continue organizing events and conferences for further research in the field of Genomics and Molecular Biology.

Conference Series LLC Ltd is glad to announce its “14th International Conference on Genomics and Molecular Biology, which will be held during Feb 21-22, 2021 through Webinar. We cordially welcome all the eminent researchers, Genomic Students, Genomics Researchers, Genomics Faculty, Genomics Scientists, Genomics Colleges, Pharmacology Scientists, Pharmacology Health Professionals, Genetics Associations and Societies, Geneticists, Genetic Counselors, Biopharmacists, Business Entrepreneurs, Medical Devices Companies, students and delegates to take part in this upcoming conference to witness invaluable scientific discussions and contribute to the future innovations in the field of Genomics with 20% abatement on the Early Bird Prices.

Bookmark your dates for “Genomics 2021, Webinar” as the Nominations for Best Poster Awards and Young Researcher Awards are open across the world.
