

Past Conference Editorial

Euroscicon LLC Ltd hosted the “Webinar on Nanotech & Nanobiotechnology”, during August 28, 2020 with the theme, “*Shaping the world with Nano Science in the era of COVID-19*”, which was a great success. Eminent keynote speakers from various reputed institutions and organizations addressed the gathering with their resplendent presence.

We stretch out our appreciative gratitude to all the pivotal speakers, gathering participants who contributed towards the fruitful run of the meeting.

Nanobiotech 2020 saw a blend of superior speakers who illuminated the group with their insight and confabulated on different most recent and energizing advancements in every aspect of Nanobiotechnology and Nanotechnology.

Nanobiotech Organizing Committee extends its gratitude and congratulates the Honorable Moderators of the conference.

Euroscicon LLC Ltd extends its warm gratitude to all the Honorable Guests and Keynote Speakers of “Nanobiotech 2020”.

- Satyavarapu Naga Parameswara Gupta, Bhilai Steel Plant, India
- Raoul Nigmatullin, Kazan National Research Technical University, Russia

Euroscicon LLC Ltd is privileged to felicitate Nanobiotech 2020 Organizing Committee, Keynote Speakers, Chairs & Co-Chairs and also the Moderators of the conference whose support and efforts made the conference to move on the path of success. Euroscicon LLC LTD thanks every individual participant for the enormous exquisite response. This inspires us to

continue organizing events and conferences for further research in the field of Nanobiotechnology and Nanotechnology.

Euroscicon LLC Ltd is glad to announce its webinar “[Euroscicon Webinar on Advanced Nanotechnology](#)”, which will be held during **November 23-24, 2020**. We cordially welcome all the eminent researchers, Multinational organizations, entrepreneurs across the globe, the researchers and academicians. Prominently Nanobiotechnology/Research Professors/ Nanotechnologists, Physicists/Chemists, Junior/Senior research fellows of Materials Science/ Smart Materials and Technology/ Polymer Science, Nanotechnology Students, Directors of chemical companies, Nanotechnology Engineers, Biotechnology Engineers, Members of different Biotechnology associations, Members of different Nanoscience and Technology associations to take part in this upcoming conference to witness invaluable scientific discussions and contribute to the future innovations in the field of Nanobiotechnology with **20%** abatement on the Early Bird Prices.

Advanced Nanotechnology Webinar is anticipating that more than 150+ Participants should socialize and inspire the occasion. This time the Advanced Nanotechnology Event will sort out a few Oral and Poster Presentations/ Symposiums/Exhibition as we have acquainted a few new tracks with acquire more members. We are looking forward for the monumental success of Advanced Nanotechnology 2020 Webinar.

Mark on your calendar for “[Advanced Nanotechnology 2020](#)”, on **November 23-24, 2020** as the Nominations for Best Poster Awards and Young Researcher Awards are open across the world.
