Conference Series organized the [24th American World Dentistry Congress on December 04-05, 2019 in Vancouver; Canada](#) was organized with a focus on "*Tomorrows Dentistry Today*".

It was a great success where eminent keynote speakers from various reputed universities and organizations made their resplendent presence and addressed the gathering.

Dentistry World 2019 Organizing Committee would like to thank the **Moderator** of the conference, **Miss. Rekha Kaur, Punjab Government Dental College and Hospital, India**, who contributed enormously to the smooth functioning of this event.

Conference series LLC Ltd would like to convey a warm gratitude to all the Honourable guests and Speakers of Dentistry World 2019:

- **John McAllister, Millennium Dental, USA**
- **Rekha Kaur, Punjab Government Dental College and Hospital, India**
- **Ideh talimkhani, Hamadan University of medical science, Iran**
- **Ishraga Abdelnabi Saeed Fourawi, Qassim Province, Saudi Arabia**
- **Mandana Batebi, Tehran University of medical sciences, Iran**
- **Dana Jafarpur, Shiraz University of Medical Sciences, Iran**
- **Hiba Kayed , The Lebanese University, Lebanon**
- **Sara Ali Swidan El-Khoriby, Suez Canal University, Egypt**
- **Nastaran Vaziri, Tehran University of Medical Sciences, Iran**
- **Wiem Bouaziz-Zouaoui, Periosystem, France**

The conference was initiated with a series of lectures delivered by both Honorable Guests and members of the Keynote forum. The list included:

John McAllister, Millennium Dental, USA presented a paper on "The LANAP and LAPIP protocols: minimally invasive, laser-assisted treatments for moderate-to-severe periodontal disease and ailing and failing implants".

Rekha Kaur, Punjab Government Dental College and Hospital, India, gave a presentation on "Odontogenic Keratocyst (OKC) :- A controversial entity"

Ideh talimkhani, Hamadan University of medical science, Iran presented on "Histological evaluation of the healing process of auto grafted mandibular bone defects in rats under treatment with zoledronate".

Ishraga Abdelnabi Saeed Fourawi, Qassim Province, Saudi Arabia enlightened the audience with her presentation "Education plan and dental preventive programs".

Mandana Batebi, Tehran University of medical sciences, Iran elucidated on "A long term review about space maintenance in paediatric dentistry";

Dana Jafarpur, Shiraz University of Medical Sciences, Iran described about "The effect of two Nano filled resin-based coatings on color stability of five glass ionomer restoratives immersed in three different food simulating solutions".

Hiba Kayed , The Lebanese University, Lebanon gave a presentation on "Oral health status and caries trend among 12-year old Palestine refugee students: results from the UNRWA's oral health surveys 2011 and 2016,

Sara Ali Swidan El-Khoriby, Suez Canal University, Egypt gave the workshop presentation on the "Synergistic therapeutic effect of nano-honokiol and 5-fluorouracil on induced-tongue cancer in rats".

Nastaran Vaziri, Tehran University of Medical Sciences, Iran presented on "Conventional method versus automatic injection for infiltration anesthesia in the premolar region".

Wiem Bouaziz-Zouaoui, Periosystem, France enlightened the audience with his presentation entitled “Simultaneous double free flap reconstruction in patients with advanced oral squamous cell carcinoma: A case series and analysis of patient survival”; and

This conference was a path-breaking opportunity for students too, were given a chance to exhibit their paramount research work through Poster Presentations and discuss the same with the exalted scientists.

[American World Dentistry Congress](#) would not have reached the pinnacle if not with the support of International, multi-professional steering committee and coordination of the Expert Opinion on [Journal of Dental and Craniofacial Research](#), and [Dental Health: Current Research](#) hence, we express our deep sense of gratitude.

After the successful completion of Dentistry World 2019 we are glad to announce our next upcoming conference which is going to be held in Toronto, Canada.

“[25th American World Dentistry Congress](#)” which is going to be held during December 04-05, 2020, Toronto, Canada”.

Mark your calendars; we are hoping to see you soon!
