### Past Conference Report

Encouraged by the success of previous annual conferences in series, [34<sup>th</sup> World Cardiology Conference](#) Organizing Committee invites you to attend the largest assemblage of [cardiologists](#), cardiovascular researchers, public health professionals, scientists, academic scientists, industry researchers, scholars from around the globe during **December 02-03, 2019 at Barcelona, Spain**. This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Scientists. The main theme of the conference is “Reconnoitering Challenges Concerning Prediction & Prevention of [Heart Diseases](#)”. This conference will provide a comprehensive update on all medical, surgical, interventional, and electrophysiological topics and experts with national and international reputations in various cardio sub-specialties will address the latest guidelines, practice patterns and solutions in cardiovascular medicine. Lectures will provide a comprehensive state-of-the-art update of the clinical uses of various techniques in the diagnosis, prognosis, and management of common heart diseases.

This conference had 8 Organizing Committee Members and 20 Renowned Speakers. Our keynote speakers Abdullaouf MZ Jijeh, King Abdulaziz Cardiac Center, Saudi Arabia, Mohammad Shoaib Hamrah from Nagoya University Graduate School of Medicine from Japan. And the conference highlights were Cardiovascular Diseases, Cardiac Electrophysiology, Clinical Cardiology, Vascular Heart Diseases, Interventional Cardiology, Echocardiography, Cardiovascular Surgeries, Pediatrics Cardiology, Cardiovascular Diabetology, Obesity & Stroke, and Cardiac Device Therapy.

Your rejoinder is our inspiration; keeping this motto in our mind we would happy to welcome you at our upcoming **35<sup>th</sup> World Heart Congress** will be held in **Rome, Italy in July 22-23, 2020**.
