Expert Opinion on Environmental Biology

Another Climate Change and [Global Warming](#) conference has been successfully completed the 3th Edition. We must thank the attendees, Courtyard by Marriott Prague, Czech Republic, Conference Centre Staff, the Organizing Committee, Ad-Sponsors, Media partners and everyone else that helped to make this **3rd World Summit on Climate Change and Global Warming** with the theme, ***Analysing New Horizons and Sustainable Technologies for Challenging Climate Change and Global Warming*** a huge successful conference.

Our Attendees obtained the kind of advance technical information in the arena of Climate Change and Global Warming that they were seeking, and that their role in the field has been enhanced via their participation. It played an important role in promoting multidisciplinary interactions between Climate Change and Environment to enhance research in Climatology and Environmental. The program covered current and emerging research innovations in the field of Climate Change and Environmental.

The Majorly Focused Highlights for our Climate 2019 Conference were Climate Effective Adaptation and Climate Change challenges, Climate Hazards, Climate Change & Climatology, etc.

Some of the Eminent Climate Change and Global Warming Professionals were the Organizing Committee Members for Climate 2019

- Glen Murray, Pembina Institute, Canada
- Gordon Huang, University of Regina, Canada
- Alexander Ivlev, Russian State Agrarian University, Moscow
- Peter Novak, University of Novo Mesto, Slovenia
- Jaime Senabre, University of Alicante, Spain

Notable Speakers of Climate 2019

- The Wieslaw Ziaja, Jagiellonian University, Poland
- Peter Taylor, Ethos-UK Consultancy, United Kingdom
- Elena Lioubimtseva, Grand Valley State

University, USA

- Govinda R. Timilsina, World Bank Group, USA
- Peter Novak, University of Novo Mesto, Slovenia

Hence, Climate 2019 gave justice to the theme *"Analyzing New Horizons and Sustainable Technologies for Challenging Climate Change and Global Warming"*

All thanks to our Media partners also for associating with us.

Crowd Reviews, Climate, JSB Conference, MED tube, Medgate, SciDoc publishers, Enliven.

SAVE THE DATE, Climate 2020 is coming!

Followed by the Successful Completion of the [Climate Change Conference](#), the 3th edition, we are hosting its next edition **"5th World Summit on Climate Change and Global Warming in Amsterdam, Netherlands on February 17-18, 2020"**.

The theme focused for the [Climate Change and Global Warming Meet](#) is *Caring – The Essence of Climate Change, Environmental and Global Warming*.

Having you all with us for our Climate 2020 is a matter of great joy and excitement. We look forward to you all sharing your incredible knowledge, research ideas and to make a sprinkle with new enhancements at this 2-days event.

This time we have introduced some new highlights for our Climate Change Congress.

Climate Change Event is expecting more than 200+ Participants to enlighten the program. This time the Netherlands Climate Change Conference will organize several Oral and Poster Presentations/Networking Sessions/Workshops/Symposiums/Exhibition as we have introduced several new tracks to bring in more participants.

We are looking forward for the [Climate 2020 conference](#) to be successful just as the Climate 2019 Conference!

We welcome all the [Climate Change](#) Professionals, Delegates, Researchers, and Students to make your beautiful presence in Amsterdam by February 17-18, 2020.
