Young Research Forum – [Young Scientist Awards: Epidemiology Health Meet 2020, November 23-24, 2020 Bali, Indonesia](#)

The Young Researchers Forum offers young researchers the possibility to meet and discuss research topics and methodologies, share and develop ideas, learn from each other and gain knowledge from senior researchers.

Epidemiology Health Meet 2020 invites research scholars & young scientists, to submit the nominations for Young Scientist Awards: Epidemiology Health Meet 2020. This Epidemiology Health Meet 2020 [Young Scientist Awards](#) will be announced at the upcoming 3rd Annual Conference on Epidemiology and Public Health at Bali, Indonesia this November 2020.

Young Researcher Sessions are organized at the Epidemiology Health Meet 2020, to provide a unique platform for Young Researchers/Investigators for presenting latest research projects with an in-depth analysis. Conference Series LLC Ltd cordially invites Young Researchers from Universities/Institutes/Industries to present a short oral presentation during the forum. These oral presentations should be of 10 minutes duration in related scientific track followed by 5 minutes question hour. Therefore, presenters are encouraged to give comprehensive and dynamic talks. Applications will be selected based on past research productivity and future promise.

This [Young Scientist Award](#) is an initiative of Conference Series to recognize and provide incentives to the Young Researchers who has shown a great potential at their respective field of research. We at Conference Series always encourage the young budding minds to start their career in the field of Research and Innovations. The core of our Young Research Forum – Young Scientist Awards is to motivate the scholars to present their research ideas in front of the global experts and enhance their knowledge at our international platform. We at Epidemiology Health Meet 2020 provide the best networking experience to the participant for their overall professional growth and to promote the

collaborative research.

About Conference Series:

Conference Series LLC LTD is an open resource platform that conducts 3000+ global events including International Conferences, Workshops, Symposia, Trade Shows, Exhibitions and Science Congresses in all the major scientific disciplines, including Clinical, Medical, and pharmaceutical, Engineering, Technology, Business Management and Life Sciences across America, Europe, The Middle East, and Asia Pacific. It is reaching over 25 million researchers, scholars, students, professionals and corporate entities all over the globe.

We encourage our authors and conference participants through research and travel grants, young research awards and provide assistance in career development and research guidance through 1000+ collaborations with NGOs, scientific and academic agencies, institutions that have signed with us.

About Conference:

[Epidemiology Health Meet 2020](#) will provide a wonderful forum for you to refresh your knowledge base and explore the innovations in public health and nutrition. The Conference will strive to offer plenty of networking opportunities, providing you with the opportunity to meet and interact with the leading scientists and researchers, friends and colleagues as well as sponsors and exhibitors.

The theme of the Conference 'Improving Healthcare, Research, Education and Policy Outcomes' will underpin the need for collaboration and cooperation of individuals from a wide range of professional backgrounds. It aims to promote awareness and enhance research aiming in developing solutions for the various public health challenges encountered.

In addition to the informational speakers, you will get an opportunity to interact with and learn from our Business Partners, Exhibitors, and Sponsors. Also, you will get an opportunity to speak with them and personally evaluate if they can be helpful to our practices. And then there are our peers...the opportunities to get to know them and learn from each other during networking breaks
