Epidemiology Congress 2020 invites research scholars & young scientists, to submit the nominations for Young Scientist Awards: Epidemiology Congress 2020. This Young Scientist Awards will be announced at the upcoming Epidemiology Congress 2020 at Amsterdam, Netherland.

Young Scientist Award is an initiative taken by Conference Series to recognize and provide certification to the Young Researchers/students who has shown a great potential at their respective core of research. We at Conference Series always encourage the young budding minds to start their career in the field of Research and Innovations. The core of our Young Research Forum–Young Scientist Awards is to motivate the scholars to present their research ideas in front of the global experts and enhance their knowledge at our international platform.

About Hilaris

Learning is a never-ending process. Conferences are not just about discussion, but to connect people with people, people with ideas, and people with opportunities. The key motto of Hilaris Conferences is to unite the Energy of Like-Minded Individuals to mould the future of research which will shape the future of the world.

Hilaris Conferences is the key to unlock the doors of innovation. Hence, Hilaris Conferences will be a unique platform to sharpen your skill to achieve your goals. Diverse and innovative Conferences with plethora of research topics will provide everyone a unique learning and career building opportunities. Hilaris conference will rewrite your brain with new and innovative ideas which will help you to boost your self-Esteem and confidence.

Eligibility criteria for Young Scientist Awards

Epidemiology Congress 2020

Young Scientist Awards: is for all young Researchers, Research Scholars (Preferably PhD, Post Doc, and Post Graduates & Graduates) who has involved themselves into the R&D sector. The candidates should have minimum 3+ years of Research experience and published minimum 3 research articles in international journals. Part time researchers can be considered subject to recommended by the research guide or any director level designated person from the organization.

Applications are invited on first come first basis. Only 25 nominations are accepted globally.

Basis for Judging: Nominated candidates need to present their research or talk for 25-30 minutes in front of the panel members. Subject should be under the scope of the Epidemiology Congress 2020 Conference. Selection will be based on the individual accomplishments, quality & standards of research, Nobel thought, Research methodology, innovative ideas, style of presentation, Significance of the contribution to the field, originality, clarity, and future extended scope of the research and probability of bring the research in terms of products/services into public domain.

Nomination

We invite online applications from desired candidates, self-nomination or nominated by organizations (both private & public sectors)/Research guide. The student must be the first author & the student's advisor should attach a statement that their contribution is primarily advisory.

Candidates applying for the Epidemiology Congress 2020: Young Researcher Award should send their resume, along with a letter of recommendation (from a research adviser/faculty/ Organization heads) to epidemiology@hilarismeetings.net along with the online application at the Epidemiology Congress 2020 Award page.
