

Young Scientist Awards at 7th World Congress on Epigenetics and Chromosome

H. K. GOSWAMI

Department of Genetics, Barkatullah University, India, E-mail: hitkishoreg@gmail.com

[Epigenetics Conference Committee](#) is glad to announce "7th World Congress on Epigenetics and Chromosome" during June 24-25, 2020 in Zurich, Switzerland by focus on the theme: "Exceeding the Vision in the Field of Epigenetics and Molecular Biology". Prestigious Award for Young Research's at Epigenetics 2020-Discovering New Exploration in Epigenetics field.

Epigenetics 2020 developments are maintaining their momentum. Epigenetics Conference program delves into strategic discussions.

Epigenetics 2020 Young Scientist Awards

[Epigenetics Conference Committee](#) is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Epigenetics.

Young Research's Awards at Epigenetics 2020 for the Nomination: Young Researcher Forum-Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Epigenetics 2020 young research forum.

Benefits

- Young Scientist Award recognition certificate and memento to the winners
- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to

learn about the research areas for expanding their research knowledge.

Eligibility

- Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience
- Presentation must be into scientific sessions of the conference.
- Each Young Researcher/Young Scientist can submit only one paper (as first author or co-author).
- Age limit- Under 35yrs
- All submissions must be in English.

Epigenetics 2020 provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join Epigenetics 2020 for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our Epigenetics 2020 more successful.
