

## Young Scientist Awards: Nursing Pharmacology 2020, Dubai, UAE, December 10-11, 2020

### Abraham

Associate Professor, Faculty of Nursing, New York Medical College, USA, E-mail: [abraham\\_B@gmail.com](mailto:abraham_B@gmail.com)

The Young Researchers Forum offers young researchers the possibility to meet and discuss research topics and methodologies, share and develop ideas, learn from each other and gain knowledge from senior researchers.

Nursing Pharmacology 2020 invites research scholars & young scientists, to submit the nominations for Young Scientist Awards: Nursing Pharmacology 2020. This Nursing Pharmacology 2020 [Young Scientist Awards](#) will be announced at the upcoming 2nd International Conference on Maternal, Fetal and Neonatal Medicine at Dubai, UAE this December 2020.

Young Researcher Sessions are organized at the Nursing Pharmacology 2020, to provide a unique platform for Young Researchers/Investigators for presenting latest research projects with an in-depth analysis. Conference Series LLC Ltd cordially invites Young Researchers from Universities/Institutes/Industries to present a short oral presentation during the forum. These oral presentations should be of 10 minutes duration in related scientific track followed by 5 minutes question hour. Therefore, presenters are encouraged to give comprehensive and dynamic talks. Applications will be selected based on past research productivity and future promise.

This Young Scientist Award is an initiative of Conference Series to recognize and provide incentives to the Young Researchers who has shown a great potential at their respective field of research. We at Conference Series always encourage the young budding minds to start their career in the field of Research and Innovations. The core of our Young Research Forum – Young Scientist Awards is to motivate the scholars to present their research ideas in front of the global experts and enhance their knowledge at our international platform. We at Nursing Pharmacology 2020 provide the best networking experience to the participant for their overall professional growth and to promote the collaborative research.
