## IT TOOLS DESIGNED TO EASE YOUR WAY THROUGH REACH OBLIGATIONS

**S. Popelkova**<sup>1</sup> Simona Popelkova (EcoMole Ltd., UK)

**T**he obligations arising from REACH, CLP and other chemical regulations concern most of us and can be overwhelming for companies of every size. Regardless of your position in the supply chain, your company can always benefit from the IT tools designed to help with these obligations. Presenting: WatchDog - your reliable substance regulations supervisor, REACHTree - indicator of the right direction, and more.

**Biography**

While studying the Environmental Chemistry and Technology at the University of Chemistry and Technology in Prague, Simona Popelková also widens her knowledge and skills by working along with the top experts in Chemistry, Chemical legislation and Applied Informatics forming the company EcoMole Ltd. Together with executing scientific research and providing consultancy services, EcoMole Ltd. also develops useful IT tools in the field of chemical legislation.
