

Announcement 2020 Conference on Dental Research and Dental Treatments

Amr Abouzeid,

Professor | University of Tanta | Egypt, E-mail: abouzeid_amr@yahoo.com

It's an honour to welcome you to the official website of [International conference on Dental Research & Dental Treatments](#) which is going to be held in Chicago, USA during July 24-25, 2020. The theme of this year's meeting is "Endurance and Excellence in Dental Research and Treatments" which will provide an international platform for discussion of present and future challenges in dental health, dental education, continuing education and expertise meeting. World-leading health practitioners, clinicians, educators, and researchers will present cutting-edge and practical clinical techniques based upon widely accepted evidence and will introduce new and emerging research.

This conference is mainly dedicated to providing the opportunity to the many leading keynote speakers and session speakers and young researchers and students to showcase their research work and knowledge in a technical way. [Dental Research 2020](#) is creating the best platform to meet dental experts & influencers face to face. Dental Research 2020 also offers you the chance to meet your eminent business idols, your possibilities are greatly improved when you're sharing the same space

Attendees can:

- Take advantage of opportunities to learn insights about Annual Dentistry and Dental Sciences Congress from a variety of oral and poster presentations.
- Meet and network with dentistry ranging from students to deans, faculty, and researchers.
- Take advantage of opportunities to collaborate with dental experts from around the world.
- Attend prominent plenary sessions about relevant issues affecting dental care and the recent techniques adapted in Dental care.

Why should attend?

It can really help you to have that expert authority in your field of specialization compared to your peers. This will give you a chance to broaden your knowledge on dental specializations which can give you a chance speak on

dental events or write publications. Most patients always like to deal with dentists who have an authority on their fields of specialization

Submission guidelines and registration prices information for Speakers and Delegates are posted on the Dental Research conference website [at Dental Research and Dental Treatments](#) . Online entries will be accepted from October 01, 2019- July 01, 2020.

Dental Research 2020 will be held in Vancouver, Canada during 24-25 July, 2020

Dental Research 2020 aims to discuss the wonders happening in the ever growing field of Dentistry. This conference is an acting stage for business professionals, Dentists Directors, academicians, technicians and mainly students to showcase their innovations and new ideas. [Dental Research 2020](#) will have more than 100 International renowned speakers to share their latest research results to participants; the planned program will cover a variety of subjects in the field of Dentistry. The conference will also provide an opportunity for interaction and interchange ideas through posters, open discussion and program project. We strongly believe that the exchange of knowledge and experience will result in a strong global collaboration between you and us

*Are you willing to showcase research results and recent objectives achieved? During American Dental Congress 2020, all participants will be able to provide at the registration desk a poster outlining your main results. Why?

Because you will have the chance to present them at the Knowledge exchange session (July 24 forenoon) and meet the authors of the speech you find most interesting during the final Networking Session!

Venue:

Vancouver is a coastal seaport city in western Canada, located in the Lower Mainland region of British Columbia. As the most populous city in the province, the 2016 census recorded 631,486 people in the city, up from 603,502 in 2011. The Greater Vancouver area had a population of 2,463,431 in 2016, making it the third-largest metropolitan

area in Canada. Vancouver has the highest population density in Canada, with over 5,400 people per square kilometer, which makes it the fifth-most densely populated city with over 250,000 residents in North America, behind New York City, Guadalajara, San Francisco, and Mexico City according to the 2011 census. Vancouver is one of the most ethnically and linguistically diverse cities in Canada according to that census; 52% of its residents have a first language other than English. 48.9% have neither English nor French as their first language. Approximately 30% of the city's inhabitants are of Chinese heritage.
