

## 2020 Conference Announcement

## Conference Announcement for Cardiology and Cardiac Surgery 2020

**Riya Olivia**

Professor, Mansoura University, Egypt, E-mail: [riyaolivia2019@gmail.com](mailto:riyaolivia2019@gmail.com)

**Cardiology and Cardiac Surgery** conference scheduled during **October 09-10, 2020** at **New York, USA**. The conference was initiated with the Honorable presence of the Keynote forum, plenary sessions, and poster presentations and followed by panel discussions.

**Hilaris Conferences** is glad to announce Cardiology and Cardiac Surgery which is scheduled to be held during October 09-10, 2020 at New York, USA and the event is enlightened with the theme **“Accelerating Innovations & Fostering Advances in Cardio Research”**

**Hilaris Conferences** on Cardiology and **Cardiac Surgery 2020** provide the chance to discuss thereon quite innovations in cardiology just like the inclusion of the soft robotic sleeve that may probably be used for short-run cardiac rehabilitation additionally to long-run medical care.

Today, many procedures that were once very invasive are presently being performed via minimally invasive techniques, with the extra advantage of robotic precision and radiation protection. The innovations of cardiology are serving in higher and furthermore as minimizing the danger concerned.

The **Cardiology and Cardiac Surgery 2020** will be hosting presentations based upon the few highlights as Invasive and Interventional Cardiology, **Cardiothoracic Surgery**, Clinical Cardiology, **Cardiovascular Diseases** in Women and Heart Failure, Cardiovascular Resonance Imaging, Cardiothoracic Surgery, Cardiovascular CAT, Angioscopy, **Cardiopulmonary Resuscitation** and many more.

**Hilaris Conferences** are conceptualized to provide accomplished vision into the major concepts of cardiology. The

conference on **Cardiology and Cardiac Surgery** intensify on topics like cardiac surgery, cardiovascular diseases, valvular heart disease, arrhythmia and pacing, acute coronary syndromes, cardiac imaging, aneurysm along with the prevention and care need to be taken while undergoing strategic treatments.

**Hilaris Conference on Cardiology and Cardiac Surgery** in 2020 you can learn from the most effective of the most effective. There are several misconceptions and previous pointers that get challenged by our leading researchers and practitioners.

The distinguished tracks are having a disperse information regarding the **Cardiology and Cardiac Surgery** new innovations and technologies in Cardiology which will allow attendees to explore the ideas and issues related to Cardiology and Cardiac Surgery Experiences. Broadly eminent speakers, the most recent Cardiologists, Cardiac surgeons, surgical experts, and the most current updates are indications of Cardiology and Cardiac Surgery 2020.

The **Cardiology and Cardiac Surgery 2020** conference is expected to provide great scope for interaction of professionals including speaker presentations, workshops, poster presentations, and symposia from around the globe, on a single platform.
