### Past Conference Report of World Congress on Dentistry and Oral Health

Conference series organized the 25th World Congress on Dentistry and Oral Health in London, UK, during March 14-15, 2019. The summit was organized under the theme "Conquer the Challenges in Dental and Oral well-being". It was a grand success where eminent keynote speakers from various reputed universities and organizations made their resplendent presence and addressed the gathering.

Dentistry Congress 2019 Organizing Committee would like to thank the Moderator of the conference, Dr. Kavita Ravi Shankar, King's College London, UK who contributed enormously for the smooth functioning of this event.

Conference series would like to convey a warm gratitude to the Honorable guest of Dentistry Congress 2019: Prof. Essam Osman, Vice President, Beirut Arab University, Lebanon

We would like to specially thank the following people who laid the foundation for the event's success.

Keynote Speakers:

- Andrade Gomes Shimazu Cristiane, Unifatea, Brazil
- Valdas Vilkinis, UAB Vilkiniai ir Ko Dental Clinic, Lithuania

Hollie Hawrot, Floating Doctors, Panama conducted a Special Session on "Floating doctors-the work and goals of the Dental team working with the Ngobe-Bugle populations in Panama" on March 14, 2019.

Dentistry Congress 2019 witnessed an amalgamation of peerless speakers Aylin Pasaoglu Bozkurt, Beykent University, Turkey presented a paper entitled "Effects of mechanical vibration force on tooth movement: Finite element analysis"; Kavita Ravi-Shankar, King's College London, UK, gave a presentation on "The impact of diet and society on the evolution and current health of the oral cavity and associated structures"; Karl Lee Kingsley, University of Nevada, USA gave a presentation on "MicroRNA expression in dental pulp stem cells", who enlightened the attendees with their knowledge and confabulated on various new-fangled topics related to the field of Dentistry and Oral Health.

Omid Panahi, Yeditepe University, Turkey conducted a workshop on "Diagnosis and management of

complications of implant surgery" on March 14, 2019. The conference was marked with the attendance of business delegates, talented student communities, young and brilliant researchers who showcased their exceptional posters on the Day 02 of the conference, representing more than 15 countries, who have driven this event into the path of success.

All the papers presented at Dentistry Congress 2019 have been published in the proceedings of the Journal of Oral Health & Dental Management.

We also thank various delegate experts, institutes and other eminent personalities who actively took part in the discussion and meetings.

Also, we thank the Organizing Committee Members for their gracious presence, support and assistance towards the success of Dentistry Congress 2019. With the unique feedbacks from the conference, we are pleased to announce the 26th World Congress on Dentistry and Oral Health to be held during May 20-21, 2020 at Berlin, Germany.
