

## 2020 Conference Announcement for Our Food is Our Future

Juveria Siddiqui

Canada, E-mail: juverias@hotmail.com

I'm pleased to invite you to Keynote speaker at "24<sup>th</sup> International Conference on Food Fraud & Safety" an independently organized Conference happening in **December 7-8, 2020** at Vancouver, Canada focusing on the theme "**Our Food is Our Future**". You being a prominent member in this field with significant expertise and experience, it would be an honour for us to hear you. **Food Fraud 2020** is a 2-day event including Keynote presentations, oral talks, Workshops, symposiums, exhibitions, special sessions, [(Video presentations, e-poster presentations)if cannot attend].

Our goal is to bring together bright minds i.e. academics, Scientists, industrialists, professionals and students across the globe to this exalted event in order to find common understanding about what it will take to tackle and succeed in the challenge of achieving **Food Fraud 2020**.

Your abstract will be published in our recognized journals and your talk would be filmed and shared on YouTube pages and other social networks, just as with all speakers, based on your expertise in the relevant field, we would be privileged to hear your work on any themes or topics you're interested in, according to the Conference Highlights mentioned. We are hopeful that your support and cooperation will make this event successful.

### Conference Highlights:

- Food and Agriculture Technology
- Food Fraud in Agriculture and Products
