Zoe Vlamaki

Consultant General and Breast Surgeon. Founder of the Biovitality Clinic, London, United Kingdom, E-mail:zvlamaki@gmail.com

Award Categories for Presentations:

Expert Level (Scientific Service Achievement Award)

This award is to the experts who have made outstanding contributions to advancing in Pathology. It is one of the most prestigious award of conference and been tagged as Scientific Service Achievement award. The eligibility criteria to get nominated for this award is that one should have a minimum of 20+ years of experience in the relative field in the public or private sector. The receiver of this award should have a dedicated fascination and should take initiative in researching the recent trends and developments towards the related subjects. You can nominate your candidature for the award online.

Professional Level (The Research Contribution Award)

This Award is for the professional or academic activity acquired in Breast Pathology research in the public or private sector for experts with research experience at 10+ years in the field of Breast Pathology and Oncology with most relevant accomplishments. Part-time research experience would be counted pro-rata. It is calculated starting from the date when you have obtained the (first) degree entitling you to embark on doctorate (either in the country in which the degree was obtained or the country in which the researcher is recruited), even if a doctorate was never started or envisaged. You can nominate your candidature for this award online.

Scholar Level (The Upcoming Researcher Award)

This conference offers Scholar Level Award to the upcoming scientists, researchers, and experts who have 10+ years of research experience in the field of Breast Pathology and Oncology. Breast Pathology conference would like to provide a staged platform to expand your network by sharing your research knowledge at podium. The presentation should include 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussion. You can nominate your candidature for this award online.

Women Scientist (The Women of Science Award)

Breast Pathology Conference provides a unique platform for women scientists for presenting their latest research achievements with an in-depth analysis. We welcome women scholars and scientists from Universities/ Industries who have 10+ years of research/industry experience to join

the forum. We are delighted to encourage women participants through research awards and provide assistance to women scholars in career development and research guidance through our scientific collaborations. Women Scientists can nominate their candidature for this award online
