The Young Researchers Forum offers young researchers the possibility to meet and discuss research topics and methodologies, share and develop ideas, learn from each other and gain knowledge from senior researchers.

Dental Oral Care 2020 invites research scholars & young scientists, to submit the nominations for Young Scientist Awards: Dental Oral Care 2020. This Dental Oral Care 2020 [Young Scientist Awards](#) will be announced at the upcoming **3<sup>rd</sup> Annual Conference on Oral Care and Dentistry at Abu Dhabi, UAE** this June 2020.

Young Researcher Sessions are organized at the Dental Oral Care 2020, to provide a unique platform for Young Researchers/Investigators for presenting latest research projects with an in-depth analysis. Conference Series LLC Ltd cordially invites Young Researchers from Universities/Institutes/Industries to present a short oral presentation during the forum. These oral presentations should be of 10 minutes duration in related scientific track followed by 5 minutes question hour. Therefore, presenters are encouraged to give comprehensive and dynamic talks. Applications will be selected based on past research productivity and future promise.

This [Young Scientist Award](#) is an initiative of Conference Series to recognize and provide incentives to the Young Researchers who has shown a great potential at their respective field of research. We at **Conference Series** always encourage the young budding minds to start their career in the field of Research and Innovations. The core of our Young Research Forum – Young Scientist Awards is to motivate the scholars to present their research ideas in front of the global experts and enhance their knowledge at our international platform. We at Fetal Medicine 2020 provide the best networking experience to the participant for their overall professional growth and to promote the collaborative research.

**About Conference Series:** Conference Series LLC LTD is an open resource platform that conducts 3000+ global events including International Conferences, Workshops, Symposia, Trade Shows, Exhibitions and Science

Congresses in all the major scientific disciplines, including Clinical, Medical, and pharmaceutical, Engineering, Technology, Business Management and Life Sciences across America, Europe, The Middle East, and Asia Pacific. It is reaching over 25 million researchers, scholars, students, professionals and corporate entities all over the globe.

We encourage our authors and conference participants through research and travel grants, young research awards and provide assistance in career development and research guidance through 1000+ collaborations with NGOs, scientific and academic agencies, institutions that have signed with us.

**About Conference:** The importance of **3<sup>rd</sup> Annual Conference on Oral Care and Dentistry** is to discover the advances in general recognized scholastics in the field of Health care, Industry masters, researchers to exchange almost condition of the Investigate and advancement of dental care issues. The Conference theme focuses on "***Creative approaches for the betterment of Oral Care and Dental Health.***" Oral Care is very essential part of our overall health and well-being. The Poor oral hygiene can lead to dental cavities and gum disease, and has also been linked to heart disease, cancer, diabetes etc.

Dental Oral Care 2020 will provide a best Universal platform for Health care professionals to Exchange ideas of present and future challenges in oral health, dental education, continuing education opportunities and provoking thoughts shared by Keynote Speakers, Oral and Poster presentations.
