16th International Conference on [Breast Pathology](#) and [Cancer Diagnosis](#) organized during May 10-11, 2019 at Montreal, Canada. With the support and contribution of the Organizing Committee Members, we successfully hosted the event at the conference venue.

Firstly we must thank you for trusting us and participating at Breast Pathology 2019, a global platform to discuss various important aspects of medicine.

There are infinite reasons to extend our gratitude to you for making the Breast Pathology 2019 outstanding conference. We couldn't have done it without your continuous support and believe towards our organization, which mutually made to achieve [Breast Pathology 2019](#) a new heights in the field of Cancer Research.

The conference was marked with the attendance of young and brilliant researchers, business delegates and talented student communities representing more than 30 countries, who have driven this event into the path of success.

The conference was organized around the theme "**Modern Innovation to Breast Cancer Research**". The event implanted a firm relation of upcoming strategies in the field of medicine and research with the scientific community. The conceptual and applicable knowledge shared, will also foster organizational collaborations to nurture scientific accelerations.

The [conference](#) proceedings were carried out through various Scientific-sessions and plenary lectures of which the following Speakers were highlighted as Keynote speakers:

- **Sveta Silverman**, University of Alberta, Canada,
- **Ann Fonfa**, The Annie Appleseed Project, USA,

- **Hallgeir Rui**, Medical College of Wisconsin,
- **Vinithasree Subbhuraam**, Cyrcadia Health, USA
- **Julia Mills**, Cyrcadia Health, USA
- **Navpreet Arora**, McGill University, Canada
- **Workinesh Daba**, Addis Ababa University, Ethiopia
- **Layane Duarte e Souza**, Université de Montréal, Canada

The conference witnessed an amalgamation of peerless speakers, Keynote speakers, well-known researchers and delegates who enlightened the crowd with their enviable research knowledge and on various alluring topics related to the field of Medicine through their fabulous presentations at the podium of Breast Pathology 2019.

Conference Series offers its heartfelt appreciation to all the Organizing Committee Members, Chairs and Co-chairs, Speakers, Students and Editorial Board Members of International Journal of Cytology & Histology who supported the conference in every aspect for the awe-inspiring exhibition at the venue.

We are also obliged to various delegate experts, company representatives and other eminent personalities who supported the conference by facilitating active discussion forums. We sincerely thank the **Organizing Committee Members**.

So as continuation of Breast Pathology 2019, we would like to heartily invite you to our upcoming 18th International Conference on Breast Pathology and Cancer Diagnosis scheduled on July 27-28, 2020 as Webinar. We look forward to see your benign presence with active contribution and support to make this event successful once more.
