Conferences Series LLC has successfully concluded its 14th World Congress on Medicinal Chemistry and Drug Design from June 10-11, 2019 Edinburgh, Scotland. More than 55 distinguished Doctors, researcher, academicians participated for sharing research advance, knowledge and expertise related to the dental worldwide. The 2 days conference, held on June 10th through June 11th provides the leading academic Doctors, researchers and scholars to share their experiences and research results about all aspects of on Medicinal Chemistry and Drug Design

14th World Congress on Medicinal Chemistry and Drug Design, 2019 was inaugurated followed by the keynote session by James K Bashkin, University of Missouri-St. Louis, USA with the title "Polyamides as multifaceted molecules for medicinal chemistry". The session was Chair Daniel P Becker, Loyola University Chicago, USA and Co-Chair by Orazio Nicolotti, University of Bari, Italy.

The conference's first day, featured panels on Medicinal Chemistry and Drug Discovery, Anti-Infective Agents in Medicinal Chemistry, Anticancer Agents in Medicinal Chemistry, Applied Medicinal Chemistry, Bioorganic Medicinal Chemistry, Medicinal Biochemistry and Medicinal Chemistry Aspects of Drug Action and Drug Metabolism.

The second day began with an insightful poster session on the area of Medchem-Antimicrobial and Infectious Agents, Advanced Trends in Organic Chemistry, Targeted Drug Delivery System-TDDS (Smart Drug Delivery). The conference concluded with the poster session. The Third day started with Networking and ended with Award ceremony.

Supported through the organizing committee network of renowned scientific and professional expert such as Letizia Giampietro, University of Chieti, Italy, James K Bashkin, University of Missouri-St. Louis, USA, Daniel P Becker, Loyola University Chicago, USA, Orazio Nicolotti, University of Bari, Italy, Alex R Khomutov, Russian Academy of Sciences, Russia, it provided a platform for collaboration among colleagues, vendors, and academia to reveal new innovations, solutions,

ideas, and emerging technologies in Medicinal Chemistry and Drug Design.

### Forthcoming Conferences on 20th World Congress on Medicinal Chemistry and Drug Design during June 22-23, 2020 Rome, Italy.

Conferences Series LLC take great pleasure in inviting the scientific community across the globe to the 20th World Congress on Medicinal Chemistry and Drug Design during June 22-23, 2020 Rome, Italy. Rome is one of oldest and largest city of Italy. Rome is considered as one of the best Venue for conducting conferences due its favourite tourist destinations. The upcoming Medicinal Chemistry and Drug Design focus on Medicinal Chemistry and the treatment, diagnosis, prevention and study of drugs. This conference will also present the advanced research, advanced techniques for characterization of Drug Design methods.

The Sponsor in the [Medicinal Chemistry and Drug Design](#), 2020 can reach and get exposure to new clients, customer, business, brand awareness and media exposure. The sponsorship has different levels [Premium Sponsorship Packages](#): Elite Sponsor, Silver Sponsor, Gold Sponsor, Exhibition, Additional Sponsorship Packages and Advertisements.
