3rd World Congress on Nutrition, Dietetics and Nutraceuticals (World Nutrition 2019) hosted by Euroscicon took place at Courtyard by Marriott Prague airport, Prague, Czech Republic during February 25-26, 2019.

It was organized by Euroscicon and generous response was received from the Editorial Board Members of Euroscicon Journals as well as from eminent scientists, talented researchers and young student community. Researchers and students who attended from totally divergent parts of the world made the conference one among the foremost winning and productive events in 2019 from Euroscicon. The two-day program witnessed thought provoking keynote and plenary presentations from experts in the field of Nutrition, highlighting the theme, "Forthcoming strategies and revolutions in the field of Nutrition, Dietetics and Nutraceuticals".

World Nutrition 2019 played an important role in promoting multidisciplinary interactions between science and medical field to enhance research in Nutrition, Food Science and Nutraceuticals. The program covered current and emerging research innovations in the field of Nutrition, Dietetics and Nutraceuticals.

We are grateful to all the delegates from various companies and institutes who actively participated in the discussions. We are obliged to the Organizing Committee Members and Editorial board of World Nutrition 2019 for their gracious presence and continuous support throughout the proceedings of this event. With the generous feedback and response received from the participants of the event, Euroscicon would really like to announce the commencement of "5th World Congress on Nutrition, Dietetics & Nutraceuticals" during January 29-30, 2020 at Sydney, Australia.
