Past Conference Report

The 14th Edition of International Conference on Infectious Diseases was held on June 25-26, 2019 in Dublin, Ireland with the presence of professional researchers, business delegates, scientists involved in the development of high-quality education & research in all aspects.

Infectious Diseases 2019 witnessed an amalgamation of peerless speakers who enlightened the crowd with their knowledge and confabulated on various topics related to the field of Infection & Bacteriology. The highly exalted conference hosted by EuroSciCon was marked with the attendance of renowned and brilliant researchers, business delegates and talented student communities representing more than 30 countries around the world. The conference has tried grounding every aspect related to Infection & Bacteriology, covering all the possible research areas.

Infectious Diseases 2020 will concentrate on how to promote excellence in bacteriology research and child health which offers an exceptional open door for specialists across the globe to meet, organize, and see new logical developments. The current year's Neurology Conference 2020 features the subject, "Innovative approaches for Infectious Diseases, Prevention and Control" which mirrors the noteworthy advance in Infection Research. The two days meeting incorporates Infectious Diseases 2020 workshops, symposiums and extraordinary keynote sessions directed by famous and prestigious speakers who exceed expectations in the field of Infection 2020. This worldwide Infectious Diseases 2020 additionally supports the dynamic interest of youthful understudies, forthcoming analysts and growing researchers as we are facilitating World Infectious Diseases 2020 Poster Award Competition and Young research Forum at the gathering venue.

Marianna A. Patrauchan, Oklahoma State University, USA

Joao Rodrigo Mesquita, Abel Salazar Institute of Biomedical Sciences, Portugal

We are thankful to all our speakers for encouraging and supporting us to conduct the conference and catapulting the same to pinnacle of success.

Details about the conference:

The Infectious Diseases 2020 aims in bringing Neurologists, Neurology Exhibitors together from different parts of the world. Infectious Diseases conference aims to create a platform to have a knowledgeable discussion. The Infectious Conference has KEYNOTE SESSIONS, HANDS ON WORKSHOP,

SYMPOSIUMS, SPECIAL SESSION, SPEAKERS, and POSTER PRESENTATIONS.

The session presented at the conference have research value and renders a great knowledge related to the field of **Infection & Bacteriology**. Meet noteworthy scientists, Drug analyst, Researchers and Clinicians. So come and join leading experts and allied professionals from **October 05-06, 2020 at Vienna, Austria** to keep up with the rapidly accelerating pace of change that is already having an impact on the field of Infection & Bacteriology and will continue to in the future.

Conference Highlights:

- Infectious Diseases
- Immunology of Infections

- Epidemiology of Infectious Diseases
- Parasitoids
- Delusional Parasitoids or Ekbom Syndrome
- Childhood Infectious Diseases/ Pediatric Infectious Diseases
- Sexually Transmitted Diseases (STDs) / Sexually Transmitted Infections (STIs)
- Communicable Diseases/Non-Communicable Diseases
- Respiratory/Pulmonary Infectious Diseases
- Veterinary Infectious Diseases
- Zika / Ebola Viruses
- Fungal Infectious Diseases
- Neglected Tropical Infectious Diseases (NTDs)
- Zoonosis
- Host-Pathogen Interactions
- Infection Diseases Control and Safety in Dentistry
- Gene Therapy for Treating Infectious Diseases
- Bioethics in Infectious Diseases Treatment
