The conference proceedings were carried out through various Scientific-sessions and plenary lectures, of which the following topics were highlighted as Keynote-presentations:

Update of alcohol septal ablation for hypertrophic obstructive cardiomyopathy, Josef Veselka, Charles University, Czech Republic

Chemoreflex dysfunction in heart failure: Why it should not be ignored: Harold D Schultz, University of Nebraska Medical Center-College of Medicine, USA

The popeye domain containing genes and tetralogy of fallot: Xiushan Wu, Hunan Normal University, China

Various sessions were chaired and co-chaired by:

Samer Kassem, Centro Cardiologico Monzino, Italy

Rafael Otto Schneidewind, Hospital BP de Sao Paulo, Brazil

Josef Veselka, Charles University, Czech Republic

Karan Peepre, Gandhi Medical College, India

Cuckoo Choudhary, Jefferson University Hospital, USA

Conference Series LLC has taken the privilege of felicitating Euro Heart Failure 2018 Organizing Committee, Editorial Board Members and Keynote Speakers who supported for the success of this event.

The esteemed guests, Keynote speakers, well-known researchers and delegates shared their innovative research and vast experience through their fabulous presentations at the podium of grand Euro Heart Failure 2018. We are glad to inform that all accepted abstracts for the conference have been published in Journal of Clinical & Experimental Cardiology: Open Access, as a special issue.

We are also obliged to various delegate experts, company representatives and other eminent personalities who supported the conference by facilitating active discussion forums. We sincerely thank the Organizing Committee Members for their gracious presence, support, and assistance. With the unique feedback from the conference, Conference Series LLC would like to announce

the commencement of the “[European Heart Congress](#)” during
October 23-24, 2019 at Prague, Czech Republic
